

**GREENVILLE**

is  
**all in**

Recycling simplified.

**PICKUP BEGINS THE WEEK OF**

**JUNE 6**

# Participate and make a difference!

No more lugging or lifting, no sorting or separating. New 95-gallon carts have lids to keep recyclables contained and dry; wheels to make them easier to get to the curb and much more room. Plus, “all in” means just that – paper, plastic, aluminum and cardboard all go in the cart together.

**all in**
